Class requests received after the postmarked date of February 1st will be on a first come basis and subject to availability; a **\$10 late fee** is required in addition to the registration fee. Registration fees are used for the rental of the facility, for the hourly cost of the teachers, and other costs incurred in order to bring this function to you. Class fees are kept lower as Fest costs are taken from your registration fee. Registration does not include class preparation and material fees; they will be due upon notification of class.
